WARNING – REVIEW DRAFT BEFORE ENDORSING OR CASHING

Upon receiving the check for your insurance claim, please inspect the details of the check before depositing or endorsing.

Make sure the correct payees are listed.

Many insurance companies list your mortgagee on the check; if this occurs, do not endorse the check before mailing to your mortgagee. This is a standard procedure that many insurance companies follow if your total claim is over a certain dollar amount.

Many companies do not accept checks marked “For Deposit Only,” so please make sure you endorse the check the way in which your name is printed on the front of the check.
